There were 19 brave souls for the Mortens Aften Dinner Nov.21. The weather, perfect evening that could be enjoyed both indoors and outside. Everyone used face-masks, had their temperature tested, and asked about their health and possible contact with people testing positive for Covid-19, nobody said yes.

Max our Naver chef, cooked an excellent duck dinner, and had also homemade goodies, Leverpostej and medisterpølse for sale. Usually for Mortens Aften we would have a full house of 70 people, but these days times a different, most of us just stay home concerned about spreading the disease, others are just getting tired of COVID and the State of Cal. restrictions. But indoor gatherings with poor air circulation is one of the big problems, even if all wear a mask, as the exhaled vapor ----- stays around for a longer time.

A few popular Naver songs rung thru-out Hulen, and many opportunity prizes were won, as \$140 raffle tics were sold. The Danish Soldiers Club president *Peter Hansen*, then presented the LA Naver Club with a check donation of \$10,000- very much appreciated, a BIG *thank you to The Danish Soldier Society*.

Naver president *Flemming Juliussen* was out of town, so VP *Arne H Olsen* conducted the progress of the evening for Naver members, guests, and their ladies. He also made sure the 6 ft. social distance at the dinner tables were observed. *Next morning Arne & Bodil did a thorough hall/restroom clean-up. Thank you.*

Note: For our safety: After Club use, always sanitize restrooms, the bar, kitchen, and other used rooms.

The date: Sat. Dec.12, Social at 5pm, dinner 6:30 pm. **Cook: Jim DeLeo.**
