The Navers in early April were finally allowed by the LA Health Authority to have a normal get to-gether with our ladies. It was a sunny warm day. Paul Chr. and Arne O borrowed 3 big shade tents from the Danish Church and raised them in front of the patio, with 9 tables. Looking and feeling very Romantic and very cozy for 50 people.

President Arne Olsen welcomed everyone,

and he then introduced our chef Max, who cooked a "Torsk" or Cod fish with Shrimp dinner, and his wife Mary donated Anton Berg Godiva Chocolate. Everybody were happy to see and greet each other again. Naver songs and snapse songs rung out all over Naver Dahlen.

Pastor Anne-Grethe was visiting, and said a few words for Ebbe Videriksen, the Danish Church architect who had passed away a week early.

Birthday songs for Steve Bristing, Helene Kristensen and Verner Møller 98 yrs.

The Naver construction crew has been busy the last 3 weeks, so Everyone inspected the new Fire-Door, and the new concrete slab by the BBQ, and the back area storage overhang for Machinery.

The Navers then had a short meeting under the Oak trees. It was decided to purchase 4 big shade tents for club's use. Several Navers promised donations to purchase the 4 tents. Installation of a remote-controlled **Security Gate**, estimated cost about \$8000- was approved by all. Peter Hansen donated a case of wine, Mette Haydt bottle of Snaps.

It was also decided to return all upcoming meetings, back to normal Friday early eve's.

For now without the ladies. ALSO: Thank you everyone for setting up tables & chairs, tents and cleaning club-house before & after the dinner.

Naver Dinner Friday May 14, 2021
