An extra ordinary Naver board meeting was then held on Feb. 12, 2021 to select a new president for the rest of year 2021.

1st VP Arne H Olsen agreed to take over the position, he previously served 10 years as president from 2008-2018. Then, for that now empty 1st VP position **Peter Hansen** agreed to step up from his Auditor position. No other changes to the board.

All the Naver board members, applauded the now new president **Arne Olsen** and **1st VP Peter Hansen**. Thank you, to both of you, for making the Naver Club continue with no problems.
